

## **Inviting Suggestions on Draft Bill on 'Road Transport and Safety'**

Everyone of us is connected with the road transport and safety including our vehicle driving. The Govt. of India has placed on the website of Ministry Road Transport a draft bill namely [Road Transport and Safety Bill 2014](#).

The said draft provides for two stringent penalty provisions with imprisonment for many acts. These are imported from the laws of foreign countries particularly USA.

As a prudent citizen you may like to provide your comments to COSIA at the earliest.
